

Sponsor "PEAK" Originators and get paid "APEX SUMMIT" on their loan production

Insurance brokers get "residual income"... Why shouldn't you? Imagine getting passive income for every loan generated by your new recruits for over a year.

26 Loans closed last month by 1st year LO's sponsored in NMLS by Incredible Lender LLC in the past 12 months & initial partial month of NMLS sponsorship.

\$4,600 APEX SUMMIT earned this month for the recruiting loan originator (NOTE: the recruiting loan originator does is not required to have production for APEX SUMMIT).

NOTE: In order to receive APEX SUMMIT you must be currently sponsored in NMLS during the full month of production by Incredible Lender LLC dba Apex Mortgage Brokers.

APEX SUMMIT was designed to go above and beyond the average "Finders Fee" for recruiting. The mission is to incentivize company growth by recruiting & mentoring new producing originators.

The above example shows the monthly income for a mortgage originator with 2 new hires a month that produce 2 loans a month for 12 full months plus the month of being sponsored in NMLS by Incredible Lender LLC
